

Story starter!

This was it! The start of her adventure!

The parrot landed gracefully on her hand, his claws gently nipping the skin on her index finger. She felt the basket lurch, so she placed her hand on the cushioned rail to steady herself. The sun had been shining on it and it felt warm. A smile crept across her wind-swept face as she thought about the excitement that lay ahead. This was to be a memorable trip...

Can you continue the story? Where do you think they are going? Is there anybody else in the basket with her? Who is in the balloon in front? Is the parrot just an ordinary bird?
